**Friday 29th August: School Closure Day- Professional Learning for teachers**

**Thursday 18th July 2019**

To All In Our School Community,

Welcome back to Term 3! It has been wonderful seeing all our students back at school, ready for learning. You would have noticed our Stage 2 building project has begun. I thank everyone for your patience during our building period. This week teachers will be sharing Term 3 Learning Overviews. These outline the curriculum being covered for each Year level.

### **Parking- Before School Drop off/After School Pick up**

I urge parents to remain respectful and thoughtful when dropping off and picking up children. On many occasions parents have been asked not to park in the staff car park or in the drop off zone. Unfortunately this week a parent was asked to move on and spoke to a teacher in an inappropriate manner. Several parents have also reported that their child has nearly been hit by a car and that parents are double parking on Marathon Blvd. A parent's car has also been hit here, as another parent was making a Uturn. It is concerning that these things are occurring, which could easily result in serious injury or tragedy. As a staff we will continue to monitor this and we will be in touch with the local council if these issues continue. Please also note the following which Fran included in our last newsletter:

### **Parking on Marathon Boulevard**

We have had many complaints about the poor parking choices some of our families are making. **It is illegal to double park** alongside cars who are legally parked on the side of the curb. This behaviour is unsafe and traps cars in who are trying to get out. If this behaviour continues we will be contacting Hume Council who have advised us that these cars will be booked. Again I remind you that from 8.30 - 3.45pm families cannot use the staff car park to park their cars, with the exception of one family who have our permission to use the disabled car park for their special needs child.

### **Enrichment Leave**

Each year the Catholic Education System advertise opportunities for principals to participate in formation programs. Often these programs are held overseas. Fran was successful in gaining a position to attend a

study tour in Rome, focussing on spirituality in the contemporary world. Fran will be returning on Monday 5th August. We look forward to hearing about her learning experience.

## **Fees**

Term 3 statements will be sent the week beginning Monday 22nd July. Please keep an eye out for these in order to make your payment by the due date.

## **Parent/Teacher Interviews**

Next week a flyer will come home with booking information for interviews. If you require an interpreter or support in making an interview, please contact the school.

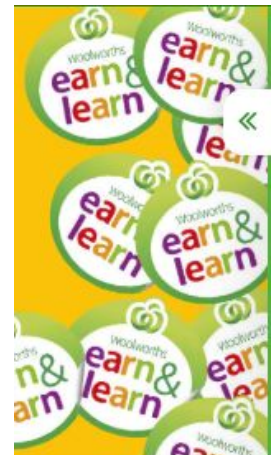

## **Absences**

If your child is absent from school you need to contact us informing us of the absence. We are mandated to contact all families if we have not been notified.

We are concerned by families who keep their children home from school on a regular basis without good reason. This has an enormous impact on the child's learning and can affect their social and emotional development. Please be aware that we are required to report frequent absences to a government body, as it is a legal requirement that children must attend school. We have been in contact with several families to discuss this issue.

## **Earn and Learn WOOLWORTHS**

Thank you to all the families who supported us in the collection of Earn and Learn stickers. In total we collected 20,700 which will go towards purchasing various equipment for our school.

Keep safe and warm and enjoy Term 3!
