To All in our School Community,

Can you believe that we are in the last week of term 2? Whilst at times we have been very challenged by being at another school, I think there have also been many positives. I would like to thank everyone in our school community for your patience and understanding throughout the first half of the year and hope the children have a safe and restful holiday. We look forward to seeing everyone on Monday 16th July.

Congratulations to Marlo and Harper Lidgerwood, Maria Adams-Cowley, Mary Paulos and Aydin Beards who received their First Eucharist on Sunday, 17th August. We hope these children have many opportunities to receive the Eucharist so that they can experience a relationship with Jesus as they continue their journey as young Catholics.

Capital Works Project

Today we have been informed that the council have opened up access to Marathon Boulevard and the public are now able to drive past our school which is located on 1 MacKillop Street, Craigieburn. Whilst this progress is very welcome, there are still a few things that need to happen before we are given the final moving date. The transformer will be delivered

in early July and the installation of this unit is important for the connection of services. We must then wait for the services: telstra, electricity, gas and water, to be connected. Those of you who have built new houses know, that despite your planning, these companies work to their own schedule. Having said this we have been told that mid August is the goal for completion.

Please keep the Herny family in your prayers. The much loved grandfather of Luke Herny (Prep EG) and father of Trevor Herny passed away unexpectedly last week. We pray that the Herny family travel safely to Canada to say their last farewell. May he rest in peace.
