Monday 1st February 8.45 - 3.30pm Year 1 - 6

To All In Our School Community,

I would like to take this opportunity to thank all Oscar Romero families for the support and care you have shown during this year. We have had very little opportunity this year to welcome you into our school and have had very little ability to work with parents in the various ways we planned to. We look forward to 2021 by opening up the gates and welcoming adults to walk their children into their classrooms. We also encourage you to wait for children in the passive play area so that you can meet and interact with other adults. We hope this will increase the connectivity of the adults in our school and hope this is the start of many opportunities for parents to work with us in a continued partnership.

We often speak with our children to remind them of how important it is to support people in our community who are in need. St Vincent de Paul reported to us that they were deeply concerned for the Christmas period because the need for their services had grown significantly due to COVID situation, but donations from the community had sadly dwindled. The St Vinnies Group were blown away with the contributions made by the Oscar Romero Community. They estimated that they would be able to make up between 150 - 180 hampers to distribute over the next month to families in need and couldn't believe the volume of contributions donated given we are the smallest catholic school in the Our Lady's Parish. It is fantastic to see the spirit of giving so alive in our community and I am so proud of your generosity and good will.

I wish all our families a very happy Christmas and truly hope you are able to spend this time with loved ones. I especially wish the families leaving Oscar Romero this year all the best with wherever they are next year and hope that their time at our school has left them with positive feelings.

Wishing you and your loved ones a blessed Christmas." "May God bless and keep you during the holiday season and all through the year." "May God bless your life with love and joy this holiday season."

On your behalf I would also like to acknowledge our wonderful staff for the support, care and professionalism they have shown throughout the year. The dedication they have towards ensuring the best for your children is outstanding. I know some families have been a little disappointed with the progression points for their children and we will meet with these families early in 2021 to assure them that the situation with COVID has further complicated the progress of some of our children. As mentioned last week an additional number of staff have been employed to work in the area of intervention so that these students can receive further support across 2021. I would also like to farewell some of our staff members who will not be returning to Oscar Romero in 2021. I congratulate Jacquie Lumsden who has taken on a position at St Charles Borromeo in Templestowe. I would like to thank Jacquie for her commitment to always doing the best for the children in her care. We also farewell Antionette Tsolakis and Paola Sanabria who have worked with the children in a Learning Support role. We wish both these ladies well with their future endeavors.

I am pleased to announce the staff for 2021 as follows:

Confirmation and Year 6 Graduation

Congratulations to the Year 6 students who were Confirmed last week. May the spirit of the Holy Spirit guide them to always be the best version of themselves.

We also congratulate the Year 6 children as they leave their primary education and embark on the next chapter of their lives. We hope that their time at Oscar Romero has empowered them to embrace and activate a view of themselves that values peace and justice to make a difference in the world
